Valves

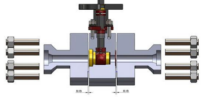

Carter Process Control

CarterProcess.com

CCI DRAG: disk stacks, plugs, seat rings, soft good kits, spray nozzles, valve problem solving

REMINGTON VALVE

RemingtonValve.com

High-performance ball valve designs:
Vents * Drains * Isolation
Power Operated Relief * ERV

HRSG - Boiler

HRSG Spare Parts, Inspections, Upgrades, Performance Audits

AnvilIntl.com

Custom engineered pipe supports; in-kind replacement for Bergen and other OEMs; pipe support & hangar inspections

FluxDrive.com

Custom engineered magnetic couplings & VFD upgrades;
Eliminate alignment issues – Eliminate **vibration** issues

Duct Burner

AlstamLLC.com

New High Capacity Ultra Low-Nox DB

Pilot upgrades for: Forney, Coen, Zeeco & all others
Flames Scanner, HEI spark igniters and BMS upgrades

Pumps & Condenser

PTSPower.com

Upgrade ARC valve system: zero leakage & maximum reliability

Taprogge.com

Online condenser tube cleaning & 316b intake screens

Torishima.com

Boiler feedwater, Condensate and Circ water pumps
Full Service Pump Repair Facility: Battle Creek, Michigan

Repair & Protective Coatings

AdvancedFRPSystems.com

Protective coatings: CT Intake through the stack; tanks, etc

Combustion Turbine

AmericanAirFilter

aafintl.com

- Canister & Static Air Filters (MERV 10 to true HEPA E12)
- Inlet Air Cooling: Fogging / Evap Coolers / Chiller Systems
- Acoustic Enclosures

VAWSystems.com

Intake & Exhaust Systems & Silencers
Fan & other silencer applications

Flame Scanners & Igniters

BFI-Automation.de/en

Fiber Optic Head – SIL Level 3 rated – ALL combustion turbines
Replace **COEN** and **FORNEY** for duct burner applications

Chentronics.com

High integrity spark ignition for all fuel types and all Combustion Turbine models.

CEMs

AltecUSA.com

Nox, CO, Ammonia Slip
Mercury + most others
Stack or Duct: TDL, Sorbent Traps, etc

Steam Turbine

ReliableTurbine.com

Open/Clean/Inspect/Close
Spare Parts for most ST OEMs
In-place valve repair

StarTurbine.com

Traditional steam turbine packing & seals
Upgrades for retractable and sensitized packing

SCR & CO Catalyst

CatalyticCombustion.com

CO Catalyst & SCR Catalyst: *In-kind or Upgraded*
Dual Function or Single Function Catalyst; Turn-Key R&R
Ammonia Vaporization Skids: electric, hot gas or AVOS+

PTSPower.com

Multiple designs to eliminate electric heaters & HGR fans

Instrumentation

QTSLevel.com

Guided Wave Radar - Steam Drum & Tank Level Gauges
Spare Parts & Upgrades: Clark Reliance, Yarway, Diamond
